Unbiased-Publications    People's Journalism    Legitimate Information

### Tell your people what's happening around you.

Your story is yours to tell. People are curious for what you have to say! We don't sell your information.

We are swamped with everything that is happening around us. It is really easy to get lost and miss something that's really important to someone. The citizen journalist is a platform that gives voice to the common people. It allows people to write their stories or submit news happening around them from the front-line.

# DETAILS

**Project date:** 2020

**Project URL:** [site](#)

**Description:** My Personal web redesign. I designed and prototyped the model of the single web page.

**Technology used:**

**ADOBE PHOTOSHOP**

**ADOBE XD**

The screenshot shows a red-themed personal website. At the top right, there is a navigation bar with links: Home, About, Services, Portfolio, and Contact. Below the navigation, the name "Yulieth Lubo" is displayed above a circular profile picture of a smiling woman with long dark hair. To the right of the profile picture, the text "Hello! I'm" appears, followed by the name "Yulieth Lubo de D'Agostini" in a large, bold font. Underneath the name, the title "Front - End Developer & Digital Creator" is shown. A "Contact me" button is located below the title. On the left side of the main content area, there is a section titled "About me" which contains a paragraph about the developer's skills and experience. At the bottom right of the page, there is a "Download CV" button. The footer of the website includes the email address "contact@yulieth.com".

Yulieth Lubo

Hello! I'm

**Yulieth Lubo de D'Agostini**

Front - End Developer & Digital Creator

Contact me

**About me**

I develop responsive and accessible websites. I also have experience in UI design, creating user interfaces and interactive prototypes, good UX intuitions and user research abilities. Likewise, I am passionate about database management and digital content creation. With 1.5 + years of experience and an insatiable level of curiosity and constant learning.

## Skills

React JS

HTML

CSS

Responsive Design

Web Accessibility

Design Thinking

UI/UX design

Git

MySQL

Adobe XD

Photoshop

Content creator

## Services

I create functional and responsive websites, easy to use and aesthetically appealing to the user, using the newest coding technology React.JS, HTML5 and CSS3.

### Web Applications

Developing fully functional web applications with interactive elements and API integrations.

### Responsive Web Design

These will show on different devices (smartphones, tablets, desktops, etc.).

### Web Accessibility

I create low and high fidelity wireframing and user story mapping, flows, iterative testing by prototyping.

# STORES

The screenshot shows the Society6 store page for 'Yulieth Store'. The header features a pink brushstroke background with the store's name. Below it, there are three small cards: 'Clothes and accessories' (a sunflower illustration), 'Tech' (a purple phone case with a floral pattern), and 'Home Decor' (purple tulips). The main content area is titled 'Yulieth Store' and includes a brief description: 'Presents collections related to travel and lifestyle, clothes, accessories and...'. It shows 0 Followers, 6 Following, and 7 Designs. A 'Shop' button is highlighted in white, while 'Promoted' is in grey. On the left, a sidebar allows sorting by 'Popular' or 'Newest', and filters for 'Department' (Tech) and 'Products' (Android Case Cases). Below the sidebar, four phone cases are displayed.

society6 store

The screenshot shows the Teespring store page for 'Yulieth Store'. The header has a pink background with the store's name. Below it, there are three small cards: 'Clothes and accessories' (a sunflower illustration), 'Tech' (a purple phone case with a floral pattern), and 'Home Decor' (purple tulips). The main content area is titled 'Yulieth Store' and includes a brief description: 'TRAVEL AND LIFESTYLE'. It shows four products: a mug featuring the Eiffel Tower, a t-shirt with a dog and the word 'Paris', a sweatshirt with the Eiffel Tower, and another t-shirt with the Eiffel Tower. Each product has its name and a small description below it.

Autor de Bolivar Paralelo

26 de julio de 2020. Marco  
supervisó a Yulieth

Fast learner, with great skills in frontend development (html, css, javascript, react), database querying and english communication  
Good intuitions in UI/UX design

### Nerio Espina Estrada

Desarrollador Backend en Anachronics

15 de junio de 2020, Yulieth trabajó con Nerio en el mismo grupo

Yulieth es una persona muy responsable, dedicada, apasionada por su oficio. Trabajé con ella mientras hacíamos un sistema ERP, y sin duda fue un apoyo fundamental. Aporta buenas ideas y se desenvuelve con proactividad. La honestidad y la transparencia la definen como persona y profesional.

India

All the designs were pixel perfect as per the wireframes. The designer has great communication skills, could understand whatever i needed.

### Salvatore Colaiuda

Maintenance and Reliability Manager | Project Manager | ScrumMaster | Product Owner |

13 de marzo de 2020. Salvatore trabajó con Yulieth pero en empresas diferentes

As Business Engagement lead and project manager I want to recommend Yulieth who demonstrated to be the highest committed and professional member of the team, Her participation on problem solving, her expertise on MySQL, and .NET added a positive environment to improve efficiency and productivity for the team.
